

Nejat Erverdi

Dr. Nejat Erverdi graduated in 1981 from Hacettepe University Faculty of Dentistry in Ankara. He started his postgraduate education at the Department of Orthodontics of the same faculty and completed his PhD program in 1985. Dr. Erverdi attended the Military Postgraduate Education Center in Istanbul and completed his military service as an educator. In 1987 he joined the Department of Orthodontics at Marmara University as a lecturer. In 1988 he became Assistant Professor; in 1989 Associate Professor and in 1994 a full Professor. Dr Erverdi was head of the Department of Orthodontics from 1988-2006.

He is a founder of the Turkish Orthodontic Society. Since 2000 he has served as a Council member of the European Orthodontic Society. He is on the editorial board of the Turkish, Greek and Serbia and Montenegro Orthodontic Journals and the Journal of Orthodontics. In 2003 he was accepted as a full member to the North Atlantic Component of the Edward Angle Society.

He is the author of over 100 articles in local and international journals. He was the president of the IXth International Symposium on Dentofacial Development and Function in October 2002.
