

Dr Dirk Bister

Dr Bister qualified in Medicine and Dentistry at the Heinrich-Heine University Düsseldorf, Germany. He also received doctorates from the same institution. He trained in the combined MSc/orthodontics programme at Guy's and St Thomas', United Medical and Dental Schools. This was followed by two further years of training as a Senior Registrar (FTTA) at Guy's, King's and St Thomas' Dental institute, London.

Dr Bister is currently consultant orthodontists at Guy's and St Thomas' Foundation Trust and Addenbrooke's Hospital, Cambridge. He is involved in teaching undergraduate students, specialist registrars and senior registrars (FTTAs) in orthodontics as well as dental nurses and radiographers. He is also involved in the supervision of MSc projects. Dr Bister has co-published two book chapters and numerous articles in peer reviewed journals. He has also presented, lectured, and given courses in the UK and internationally.
